

Tis' the Season for giving!!
West Gates is enrolled in a new program
Upromise Schools Program

Not familiar with Upromise?

This is a savings program, where your regular shopping habits send money to a fund in your child's name, as an investment in their future for any accredited schools tuition!

Sign up at

www.upromise.com

register your shoppers cards/pharmacy cards
and choose West Gates Avenue as your child's school.

The bonus money that the schools receive is
ON TOP of the individual's money.

It does not take away from the parent's money - it's in addition
to the parents money.

The first time a new member links to a school and registers a
grocery/drug store card the school receives \$3.00.

The first time that person shops on line the school receives \$5.00

The first time that person dines at a Upromise restaurant the school
receives \$2.00
